

Press Release 12-2-2012

Hickory Motor Speedway

Detail the Tire Clarification

With the recent announcement of Hickory Motor Speedways new partnership with Hoosier Asphalt South, Hickory Motor Speedway would like to take this opportunity to detail the tire programs for our 2013 NASCAR Whelen All American Race season. The NWAAS Bojangles Late Models will be running new Hoosier F-45 sticker tires, The Paramount Kia Limited Late Models and the Super Trucks will be running a Hoosier F-45 scuff program with 5 tires per event. The Wrench Rags Street Stocks will be remaining on the Goodyear D-2902s at this point.

The 2013 schedule is almost complete as we are awaiting one more firm commitment from a touring series before release. Hickory Motor Speedway understands the importance of releasing the schedule, however its accuracy is important to the sponsors, competitors, fans, workers and the track.

In other news, all tickets for the Hickory Motor Speedway Championship Banquet are still available. Tickets must be purchased by Monday, December 3rd at 5:00pm.

All 2012 reserved parking spaces and car numbers are secured until January 1st.

Please call the Hickory Motor Speedway office to renew your reserved pit stall and car numbers by the end of December.

Reserved pit stalls are \$100.00 per year and the reserved car numbers are free.

Hickory Motor Speedway remains open for practice throughout the winter months.

If you have any questions or would like to schedule a practice please give the racetrack a call at 828-464-3655
