

“Hickory Motor Speedway Welcoming a New Tech Director ”

January 5th , 2021

For Immediate Release:

Welcoming the New Year of 2021 will be bringing a change to the head tech director at Hickory Motor Speedway. We are pleased to announce that during the 2021 race season, Nick Bronson will be assuming the role of head tech director.

Bronson has a great amount of experience working under David “Lightning” Saunders, Tony Wilson, and others by learning the aspects of the job. Over the past four years Bronson has been part of the Solid Rock Carriers Cars Tour working as a technical inspector in all aspects of technical inspection.

Bronson says, “I am looking forward to the opportunity that Hickory Motor Speedway has entrusted in me and my goal will be to make sure each competitor understands our goals and is treated equally. I know many teams will recognize me from working at Hickory Motor Speedway in 2020, and I am really looking forward to working with and getting to know each team during the 2021 race season.”

Hickory Motor Speedway wants to thank Tony Wilson for several years at technical inspection and the last three as head tech. Wilson has done an amazing job and we look forward to his new role, assisting Bronson at Hickory Motor Speedway.

You can reach Nick Bronson at (704) 999-8984.

Bronson is currently reviewing the NASCAR and Hickory Motor Speedway rule books. And will return your calls with any questions you may have.
