

# Bumgarner wins the Woodforest National Bank Night at the Races

## 100 Lap Feature Event

NEWTON, N.C. (May 26, 2012) It was a beautiful evening at Hickory Motor Speedway where six divisions would race. The Sportsman Racing Classics were the first race of the night, with Bob Hapeman No. 8 taking the win in the 25-lap race, followed by the No. 16 of Bill Webb, No. 98 of Chuck Thorne, No. 71 of Bill Powell and the No. 4 of Robert Webb rounding out the top five.

The 4-Cylinder race was up next, with No.21 of Todd Harrington leading the field to the green flag. The first caution was on lap 16 when the No.51 of Nathaniel Kanupp spun and hit the backstretch wall. Harrington looked like he would drive away from the field until lap 18 when the No.6 of Caleb Sisk and the No.16 of Devon Haun made contact out of turn four to bring out the second caution of the night. Sisk's car suffered front-end damage and was done for the night. At the finish it was Harrington taking the win, followed by Haun, the No.3 of Donnie Harmon, the No.00 of Patrick Shiflett and the No.59 of Donn Wardo rounding out the top 5.

In the Paramount KIA Limited Late Model race 16 cars took the green flag with No.00 of Shane Lee on the pole. Action began early with the No.18 of Casey Pierce bringing out the first caution after contact with another car, but was able to continue. Two by two racing for the leaders ensued with the No.72 of Jason Cochran and the No.00 of Shane Lee battling for the lead.

The No.51 of Jeremy Pelfrey and the No.10 of Ryan Vasconcellos battled for third with racing throughout the field. Lee took the lead with Cochran following close behind. Pelfrey and Vasconcellos continued to run door to door until lap 16 when Vasconcellos took the spot. A host of others were bearing down on the third spot with the No.55 of Zach Bruenger, the No.71 of Nelson Canache, the No.7 of Travis Byrd and the No.9 of Charlie Watson.

The second caution flew on lap 22 from a spin down the front stretch with the No.8 of Greg Wise. When the green returned Lee assumed the lead with a field of hungry drivers in tow. Bruenger and Byrd battled for the fourth position with Lee holding a two-car length lead over Cochran. At the checker it was Lee taking the win, Cochran second, Byrd third, Pelfrey fourth and Bruenger rounding out the top five.

Marshall Sutton No.64 led the field to the green flag in the WrenchRags Street Stock Race. On lap five the No.5 of Mike Newton moved to the inside of Sutton and they battled for several laps with the No.03 of Kevin Eby closing quickly. Eby worked to the inside to take second from Eby on lap 12. When the caution fell for the No.17 of Baron Kuritzky a battle ensued between Sutton, Newton, Eby and the No.15 of David Werner. Sutton
