(August 15th 2015) -The race was on Saturday night at Hickory Motor Speedway for life-saving health screenings as well as on the track for the 9th Round of the Paramount Kia 'Big 10' challenge on Frye Regional Breast Cancer Awareness Night at the Races presented by T-Mobile.

Leading off the action would be the 4-Cylinders and their blistering fast cornering speeds. Dennis Trivette in the #28 would grab the fast time in qualifying and pace the field to the green flag. Early in the feature Michael Tucker in the #16 and Curtis Pardue in the #00 would battle D. Trivette for the top spot. However, Randy Canipe in the #09 would battle back from deep in the pack and claim another win for the season. Tucker and D. Trivette would take the 2nd and 3rd spots. Pardue and Robert Trivette in the #11 would round out the top 5.

The T-Mobile Limited Late Models would be the next to hit the track in their 35 lap feature. Travis Byrd in the #77 would set the fast lap and pace the field to the green with Hayden Humphrey in the #07 to his outside. Byrd would face challenges from Humphrey, Mitch Walker in the #29, Evan Swilling in the #48, Anthony Alfredo in the #15, and Evan Duggins in the #12 but would hold them off as he would win his 8th feature of the year and 4th in a row. Walker would grab another hard fought 2nd while Alfredo continues

to impress with another front stretch celebration in 3rd place. Bradley Weaver in the #2 would work hard from his deep in the pack starting spot to grab 4th and Monty Cox in the #21 would round out the top 5.

The Smokey's Super Trucks would be ready to make some noise next at the Birthplace of the NASCAR Stars. Tal Davidson in the #77 would set the hot lap in qualifying and start from the point with Shefon Clay in the #15 to his outside. Davidson and Clay would battle for several laps before Clay would grab the point. Clay would have a great run going and seemed to be headed for the win when a gear differential failure would cause him to slow, relinquish the lead, and eventually have to park for the night. Ashley Huffman in the #7 would be the benefactor but his road wasn't easy either as he started at the back of the pack but worked his way to the front. A Huffman would drive on to the checkers and take the win. After spinning earlier in the race and backing into the wall, Allen Huffman in the #51 seemed like a man on a mission as he worked his way back to the front and had a thrilling race for 2nd with Davidson over the last few laps. Allen Huffman would claim 2nd as the pair were side by side coming off turn 4 and he would overtake 3rd place finisher Davidson to the line. Jason Grant in the #17 and Jay Norville in the #91 would have impressive finishes as they would round out the top 5.

Next up would be the 100 lap Round #9 of the Paramount Kia 'Big 10' Chase for the Championship featuring the NASCAR Whelen All American Series Bojangles Late Models. Setting the fast lap for the headliners would be Josh Berry, but not in his customary JR Motorsports #88. Instead Berry would be driving the #5 Lee Faulk Racing ride while dirt track ace and Eldora truck race standout, Bobby Pierce,

would be piloting the #88 for JR Motorsports. Pierce would get comfortable real quick as he narrowly missed snagging the pole from Berry by only .004 of a second, and the pair would start from the front row. Landon Huffman in the #75 and Dexter Canipe Jr. In the #5 would make up row 2. Berry would grab the point from Pierce and show the way while Pierce would have to deal with the high line as Huffman would move to his inside and eventually make the pass for 2nd. The race would go caution free and Berry would show he could win in more than just the JR Motorsports ride as he would take the Lee Faulk Racing piece to Victory Lane. Huffman would bring home a 2nd place finish while Pierce would have a great experience at America's Most Famous Short Track and take the 3rd finishing position. Canipe would finish 4th and Shane Lee in the #00 would round out the top 5 after a hard fought battle over the last 25 laps with Matt Piercy in the #25.

Next up would be the Street Stocks for their 30 lap feature. Larry Mosher in the #2 would start from the pole after setting the fast lap in qualifying. The race would be red flagged for a hard wreck in turn 1 that would sideline the cars of Mark Whitten in the #3 and Trey Buff in the #69. When racing resumed Mosher would drive on to the win with Kevin Eby in the #03 and Marshall Sutton in the #64 chasing close behind but finishing 2nd and 3rd. Eric Evans in the #7 and Brendan Doyle in the #23 would round out the top 5.

The Wrench Rags Renegades would close out the night with their 20 lap feature. Darren Dickinson in the #6 would lead the field to the green flag after grabbing the pole. Kenneth Roberts in the #8 would move around Dickinson and Andrew DiVanna in the #71 to take the top spot and eventually drive onto the win. Blake Walker in the #09 would drive to a 2nd place finish and Dickinson would take the 3rd place spot. DiVanna and Justin Austin in the #4 would round out the top 5.
